TO ALL MEMBERS:

MDEA Social:

We are sponsoring a Social for all members and guests. Please invite your co-workers to join us and enable them to find out about the Association. Appetizers and soda and juice will be provided. A cash bar will be available.

Thursday, October 2, 2008 from 2:45 till 5:00 p.m. at the Stillwaters Restaurant in Charlemont.

Please let a building rep know you are attending so we can be sure we have enough food for all.

Email Addresses:

A lot of people are using new email addresses. I know you are, but not necessarily who you are. If you have changed your email address, please email Peter at peotten@mohawkteachers.com so I can update the mailing lists. You are missing the good news without a good email address.

Contracts:

Speaking of email, I sent out an email early this week letting you know that the teachers' contract is now online at our website. You need a password and username to see it. A hard copy is being printed and will be distributed to all members as soon as it is ready. All this information was in the email! See what you are missing when not getting the emails? ESP staff please be patient as we work at some last points of your contract before we print it and put it online.

Personal info update sheets:

I am working on getting those out to you soon. Personal info update sheets show your personal info, such as what school you are in, where you live, your phone, and your email address. Please let me know if any information on these sheets are old! And tell me what the current information needs to be. Some may think that the information just appears in front of me, but my magic powers are fading and I need your help every time you change any information. You can always reach me at peotten@mohawkteachers.com. Thanks. Peter.

Website:

Please note that this newsletter as well as a host of other information can be found on our website at: www.mohawkeducators.com. Take a look and tell me what you think!

Stories wanted:

Neale is looking for stories for the newsletter. If you have exciting news, activities, or just things that you think everyone should know about, email them to Neale Gay at ngay@mohawkteachers.com and he will pick from the many entrees the ones to publish. Please make his life hard and send him lots of stories and news.
